

Responsible Visitor Charter

Be a responsible visitor to Deeside Activity Park and help us to reduce, reuse and recycle.

1. Reduce, Reuse and Recycle – we have many recycling points throughout the park please help us by using these, if you are unsure where something goes please hand to a member of staff who would be happy to help.
2. Be Water Wise – Please turn off taps after use and use water wisely
3. Respect Nature – Help us to look after the landscape and wildlife by not littering, guarding against fire and using footpaths and cycle-ways responsibly.
4. Shop locally, here at the park we aim to buy all our produce locally and support local suppliers please ask our staff should you wish to know where we get any of our produce.
5. Support Green Tourism Businesses - We are just one of hundreds of businesses trying to reduce their environmental impact through the Green Tourism Business Scheme.

And most importantly while you are here have fun and let us know your thoughts with our comment cards.
